DESCRIPTION/OPTIONS: 2003 Chevy Silverado 1500 - x-cab, Z71, 4x4, 246k miles, Fisher plow. This is a YARD TRUCK.....This is being sold AS IS , AS SEEN, AS SHOWN WITH NO WARRANTY, STICKER OR TEMP TAG...I sold this truck to a customer 10 years ago. He did whatever it needed the time he owned it. I just took it on trade and sold him a newer truck....This truck starts, runs, shifts and stops as it should....4x4 works great, plow works great but this is a YARD TRUCK....There are rust issues keeping it from getting a legal sticker....Frame is good, cross members are not. Rockers and cab corners also need work. I personally drove this truck to my house and plowed my yard with it the last 2 storms and it goes down the road fine . Heat works great....Rodents must have been in there at 1 time as it has a smell of them but I could not find any signs of them still being there.....This is a very good truck for anyone looking to use this to plow their own property.....Price is \$ 3,450.....M & M used cars is your 1 stop place to shop where the price is ALWAYS RIGHT !!!!
