DESCRIPTION/OPTIONS: Check out this 2026! It delivers style and power in a single package! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Nissan prioritized practicality, efficiency, and style by including: leather upholstery, heated front and rear seats, and the power moon roof opens up the cabin to the natural environment. Smooth gearshifts are achieved thanks to the efficient 3 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are extremely helpful knowledgeable. They'll work with you to find the right vehicle at a price you can afford. Please don't hesitate to give us a call.
